HOW IMPORTANT IS THE OVERALL LEVEL OF YOUR CD? I want the level to be competitive with current major label releases Please favor dynamics over level
Notes:
ARE YOU GENERALLY HAPPY WITH THE OVERALL EQ OF YOUR MIXES? Yes No If "No", please explain what your concerns are:
WHAT'S YOUR MAIN CONCERN (IF ANY) ABOUT YOUR MIXES?
Note – Understand that we are not mixing and do not have control over the individuals tracks of the mix. However, mastering can sometimes alter mixes to emphasize one thing over another depending on the mix sent.
However, mastering can sometimes alter mixes to emphasize one thing over another depending on the mix sent. ARE THERE ANY RECORDINGS THAT YOU ARE LOOKING TO COMPETE WITH OR WOULD LIKE
